DANSEUSE IN TROUBLE.-On Tuesday, on the arrival of the Richmond boat, two of the passengers—Edward Jones and Miss Kitty Fyffe, a well-known danseuse-got into an omnibus to come up town, and on the way an altereation took place between them as to where they would stop, he proposing that they should go to the St. Charles and she to another place. He ended the matter by striking her several times in the face and about the head, bruising her considerably. Officer T. A. Clements, of the Sixth Ward, noticing the disturbance, arrested Jones, and took them before Justice Motsell, who committed Jones to Jail for court. It appeared from Miss Kitty's statement that she was in Richmond, out of an engagement, when she met Jones, and not having money to pay her board bill, he paid it voluntarily, as also her fare to Washington; and on arriving here, she wished to go immediately to her friends, to which he objected. - Washington Star.

osition from the Bondholders--- Reply of Secretary Seward.

Washington, April 30.—The Secretary of State, by direction of the President, examined certain papers submitted to him relating was twelve against three, as it is known that to the late Confederate Loan. Among them is a communication dated London, March 10, 1866, and signed by order of Sir Provo Wallis, K. C. D., E. Morgan, Secretary, Francis Phillips, C. and M. J. Weston, W. M. Representatives Stevens, Washburne, of Illinois, Morrill, Bingham, Conkling, Boutwell they propose is that the United States government shall forward to that committee a Morgan and J. M. Howey. The plan which ernment shall forward to that committee a copy of the contract which they say was made between Erlanger & Co., of Paris, and the late Confederate government at Richmond,

together with the particulars of the settlement of the same. The committee promise that the outstanding Confederate cotton loan bonds shall be delivered up to agents of the United States for cancellation, the bondholders to guarantee that either they or their friends will subscribe forthwith to a new loan to be created by the cotton and tobacco States, for £5,000,000, at fifty per centum, payable in

London-the money to be used solely in redeveloping the revenues of these States. In the event of the credit of the Southern States being restored, through the influence of the last mentioned operation, a second loan of £5,000,000 is to be taken at 60 per centum within three months after the plac-

ing of the first loan upon the market. In the event of such second loan being uccessful, then a loan for \$10,000,000 is to be taken at 70 per cent., after a like interval

of time. After reviewing the above mentioned and other communications submitted, the Secretary of State says: "I am of the opinion that neither the nature of these several communications, nor the matters discussed therein, nor the form in which they are therein treated, nor the character of their authors, nor that of their agent, is such as to deserve

A CONTRACTOR OF THE PARTY OF TH

Internal Revenue Decision.

The Commissioner of Internal Revenue yesterday rendered an important decision upon deductions from income. He decides that all expenses for insurance upon property and all actual losses in business may be deducted from the gross income of the year; but losses sustained after December 31, 1865, cannot reduce the income for the year. Losses incurred in the prosecution of one kind of business may be deducted from gains in another, but not from those portions of income derived from fixed investments, such as bonds, mortgages, rents, and the like. He instructs assessors to be careful not to allow the deduction of amounts claimed to have been lost in business, when in reality they should be regarded as investments or expenditures, as when merchants expend money in farming or gardening for recreation or adornment rather than pecuniary profit,- Wash. J. B. CARPENTER, R. W. LOGAN, april 18-17-tf. "The Sunday School Banner."

A NEW ENTERPRISE! THE UNDERSIGNED, THEMSELVES MEMbers of the Sabbath School, propose to com-mence in the city of Raleigh, on or about the 1st

of next May, "THE SUNDAY SCHOOL BANNER." And in the commencement of this little work of love, being boys, ourselves, may we not appeal to every Sunday School boy, and girl in North-Carolina to come up promptly to aid the under-taking. In our own State, there are very many Sabbath Schools, and from the best information The above Companies are well known as first class Companies, and pay their losses promptly. which is necessary to improve and keep floating this native standard which we propose for their benefit. It is not for pecuniary gain that the "Banner," is established; it has for its aim higher objects, and if we succeed in our enter-prise, it will be to us in after life a source of great satisfaction to know that, in our boyhood days, we gave a heiping hand to Sunday Schools, the preparatory Schools for places of high trust and position, in the work of our Heavenly Father. Its name sufficiently indicates the object which is to control its editorial conduct. There is neessity however for the remark that it will not be denominational, but alike open to all the Sabbath Schools of this State for contributions, in which there is no spice of sectarianism. The "BANNER" will be issued monthly on hand-

some type, clear white paper and will contain fourteen columns reading matter, quarto length.
We trust sufficient encouragement may be offered to justify the undertaking. TERMS—IN ADVANCE:
